EDUCATION

Aditya college of engineering and technology | *B.tech* **2022-present**

- Cumulative GPA: 8.36
- expected graduation: may 2026
- Related Coursework: machine learning, data mining, artificial intelligence, probability and statistics, data structures and algorithms, data visualization

Narayana junior college
Intermediate

kakinada, andhra pradesh
2020-2022

- percentage: 95.1
- Related Coursework: algebra, calculus, trigonometry, physical chemistry, organic chemistry.

3rd BN APSP E.M high school | *10th*

2019-2020

- Cumulative GPA: 9.8

EXPERIENCE

artificial intelligence and machine learning intern
IBM skillsbuild

may 2024 – present

- Contributed to the development of AI models and machine learning algorithms.
- Implemented data analysis techniques and experimented with various ML frameworks.

web development intern
Edzeeta

jan 2024 - mar 2024

- Developed basic proficiency in HTML, CSS, and JavaScript, laying the groundwork for further exploration and skill development in web development.

SKILLS

Technical c, python, java, html, css, mongodb, data mining.

Language Telugu: Native proficiency, English: Fluent, Hindi: Basic

Interests Enthusiastic about exploring the latest trends and advancements in data science, including machine learning, predictive analytics, and data visualization.

PROJECTS

stock visualization dashboard | [GitHub Link](#)

- Developed an interactive dashboard using Dash and yfinance to visualize stock data, enabling users to input stock symbols and view corresponding price trends dynamically.

login page | [GitHub Link](#)

- Designed and implemented a simple yet functional login page using HTML and CSS, incorporating user-friendly interface elements for efficient authentication and access control.

CERTIFICATION & AWARDS

2024 Data Analytics and Visualization Job Stimulation Certificate : Issued by Accenture, in collaboration with Forage, for successful completion of a job stimulation program focused on data analytics and visualization techniques, including tasks such as data cleaning and merging to prepare datasets for analysis.

2024 python for data science , IBM

2024 poster presentation, Aditya college of engineering and technology.

2024 Best Intern Certificate,Edzeeta.

2024 javascript for beginners,simplilearn.

2023 Data Science Workshop Participation Certificate,iit bombay
